There is still a urgent need for the gospel to be proclaimed among some of the hardest to reach people and places. Every-day people enter eternity with no hope. We are still here Still able to go to them, Still able to share with them the most important news in all the world, the most important message they will ever hear. We can still offer hope and help with your

**Missionary Of the Week**

Philip & Andi Coleman

God called Phillip and Andi from Kentucky to Anchorage to help struggling churches.

They planted True North Church in Anchorage they later learned that an older church in town was dying. The two churches joined forces to serve and reach their community together. Alaska can be a tough place to start or restart churches.

The new church began a residency program to help new church planters understand Alaska's unique culture and extreme climate. Pray God would bring new missionaries to Alaska.
